*DEDICATED Kidderminster councillor **Fran Oborski** has been recognised for her four decades of public service with an **MBE**.*

Councillor Oborski, who was first elected in Wyre Forest in 1973, was named in the Queen's Birthday Honour's list for political and public service.

Councillor Oborski said: "It is a fantastic honour; I'm still pinching myself to make sure I am awake!"

"The MBE recognises my 42 years' service as a Councillor in Wyre Forest but, from my point of view, it is also recognition of the wonderful team who over all these years have delivered leaflets and letters, canvassed, addressed and labelled envelopes, stuffed those envelopes and campaigned on local issues with me.

"It would also never have happened without the wonderful community in the east of Kidderminster, particularly in Offmore and Comberton who have placed their trust in me and continued to re-elect me over all those years.

"I am truly grateful to them all and hope to go on serving them for as long as possible."
