

The Fahrenheit211 British Neville Chamberlain Award

This award is given on a monthly basis to the British politician, public or private sector worker or other person or entity who has made the most notable effort to pander to or appease the ideology of Islam. This award is given by the writers and other contributors of www.fahrenheit211.net for the most outrageous example of appeasement of Islam in any particular month.

December 2015 'Winner'

Mr Simon Danczuk MP for Rochdale

This certificate has been awarded to the recipient because of his abject and disgusting pandering to Rochdale's Muslims by boasting about how he turned out to celebrate the 'prophet' Mohammed's birthday on December 24th 2015.
