## **August 2016**

**Assistant Chief Constable Sarah Boycott of Cheshire Police**

**Assistant Chief Constable Boycott has been given this British Neville Chamberlain Award for her prioritisation of the rights of the dangerous Muslim 'refugees' who are to be housed in a former care home in Widnes, Cheshire and for threatening those who speak up against these 'refugees' with prosecution.**

British Neville Chamberlain Awards are given by the contributors and readers of the Fahrenheit211 politics and culture blog to the public servants and elected representatives who most egregiously pander to the ideology of Islam and its followers to the detriment of almost everyone else.
